

ACC 202 Milestone Three Income Statement Revenue Information

In order to complete Milestone Three, you will need the following income statement revenue information. Note that the revenue you use will depend on the pricing level options you chose in Milestone Two.

Income for January-actual activity based on price levels:

For example, if you chose a grooming price of \$25 per groom, the actual grooms in January were 4 per day assuming a 30-day month.

| If you chose. . . | The actual # of grooms/daycare/kennel |
|--------------------------|--|
| Grooming price \$25 | 4 grooms per day |
| Grooming price \$30 | 3 grooms per day |
| Grooming price \$35 | 2 grooms per day |
| Daycare price \$18 | 22 dogs per day |
| Daycare price \$20 | 12 dogs per day |
| Daycare price \$25 | 9 dogs per day |
| Kennel price \$25 | 12 dogs per day |
| Kennel price \$28 | 9 dogs per day |
| Kennel price \$30 | 6 dogs per day |
